

Message from the COO

DEAR FRIENDS;

On behalf of the entire Staff Blue team, I wish to thank you for your interest in our company.

If you are a healthcare HR executive in need of nurses, I welcome the opportunity to visit you to discuss your needs and requirements as well as our recruitment, training and placement process. Whether your staffing needs are a result of employees leaving, census swings, turnover, strike or simply new department or program expansion, we can supply your facility with the qualified healthcare professionals you need when you need them.

With a pool of thousands of experienced RNs, LPNs, CNAs and hundreds of active accounts such as hospitals, skilled nursing and rehabilitation facilities in New York and New Jersey, Staff Blue has earned the reputation of living up to its promise to deliver "Real Nurses" in "Real Time."

If you are a healthcare professional exploring your career path, I invite you to consider the amazing opportunities that Staff Blue as one of the Metropolitan's leading healthcare staffing companies has to offer. Whether you are looking for a per diem, nights, weekends, short or long term travel assignments or a permanent position, the Staff Blue team is ready to assist you with finding the work you want, where and when you want it.

I encourage every single one of you who are reviewing our services to call our Brooklyn corporate office at **718-232-BLUE** and ask to speak with me personally. You can also contact our Long Island office **516-433-2244**, or our New Jersey Office at **908-445-0445**.

I will be happy to meet you, discuss how we can work together and answer all of your questions about Staff Blue.
